This table gives a false impression of our active membership since members from far flung corners of the Highlands are hardly likely to attend Club Runs centred about the Moray Firth area. Our active membership remains at about 20. We have had some new blood but cannot be complacent about our small base numbers.

Once again, it is difficult to report on anything, which is essentially new. The Year 2009 was another successful year for CTC Highland. We achieved our main objective, to run a Programme of Club Runs and events, which were reasonably well attended, particularly in the winter months when there was less competition from National Events.

The following Officials have carried out the formal work of the DA and we offer our thanks to them for their work on our behalf:

Chairman: Ian Milne

Secretary Steve Carroll

Treasurer Bob Hemingway

Auditor John Burns

Registration Officer Ken Naismith

Welfare Officer Mary Eagleson

Promotion Officer Mick Heath

Runs Leaders John Burns, Steve Carroll, Nobby Clarke, Ian Collins, Keith Eagleson, Mary Eagleson, Norna Hall, Bob Hemingway, Ian Meek, Cath Milne, Ian Milne, Ken Naismith, James Plowman.

The Web Site www.ctchighland.org.uk has continues to be used for various purposes including publishing photographs of Club Runs, Runs Lists, Committee Members, Contacts and other documents. The Web Site has served as a point of contact for the Club and savings in postal costs and income from Audaxes offsets the cost of maintaining the site.
